Type here the title of your Synopsis Proposal
(Helvetica or Arial Bold size 12 and 5cm (2") from the top)

Type here the number(s) of the preferential subject(s) addressed (List below)
See the Call for Papers for the Symposium Click Here

Type here the authors' name, email and full address
(initials, name in capitals, Times Roman, bold, size 12)
Type here the Company
Type here the Country

Start typing here your synopsis (about **500 words**; Times or Helvetica, size 11 or 12 only).

Please submit your abstract in ENGLISH to CIGRE Central Office

Online: http://callforpapersaalborg2019.cigre.org/home.asp

Deadline 28/09/2018

Abstracts sent by email will not be accepted

Preferential Subjects:

1. Offshore wind power network connection technologies and equipment: submarine and underground cables; HVAC and HVDC connections; wind farm power quality, transient and harmonic stability

2. Operation and system stability of weak networks with wind penetration, both DC and AC infeeds

3. (Offshore) HVDC technical and economic system perspectives, including multi-terminal DC networks, DC/AC hybrid transmission

4. Submarine cable technology and lifecycle

5. Upgrades and restructuring of onshore networks with mixed usage of HVAC, HVDC, overhead lines, underground and submarine cables

6. Changes and advances to split between roles and functionalities of distribution and transmission networks. Advances in exchange of data and services between DSO and TSO

7. Eco-design and environmental concerns of offshore and onshore transmission solutions, including asset management and public acceptance

8. Other subjects related with the conference theme

If Young Member insert YM in the header. Example: a young member submitting a paper in preferential subject 2, should write PS2 (YM)
